

Skinny Rich Shot® never sells your personal information or data. We take your privacy very seriously.

Under California's California Consumer Privacy Act or "CCPA," effective as of January 1, 2020, California residents are given the right to opt out of the sale of their personal information.

While we do not sell any data of our customers, this website uses cookies. Cookies are used to improve user experience, track anonymous site usage, store authorization tokens, enhance users' experience of site usability and marketing activities, and permit sharing on social media networks voluntarily by customers (please see our **Privacy Policy** for a full description of how we use your data). In certain cases, sharing data with these providers could be considered a "sale" under CCPA, even though it is not a sale in the traditional sense. We are therefore giving California residents the ability to opt-out of the cookies and trackers that may fall under the definition of "sale" under CCPA. Please note: If you opt-out of these cookies and trackers, your web experience may be severely degraded.

To opt-out of these cookies and trackers, please contact us at info@skinnyrichshot.com or (323) 283-9219.
