

PATIENT PORTAL: ACCESS

Hello + Welcome to your Patient Portal!

- 1 If this is your first time logging in or you've forgotten your password, **select 'Forgot Password?'**.

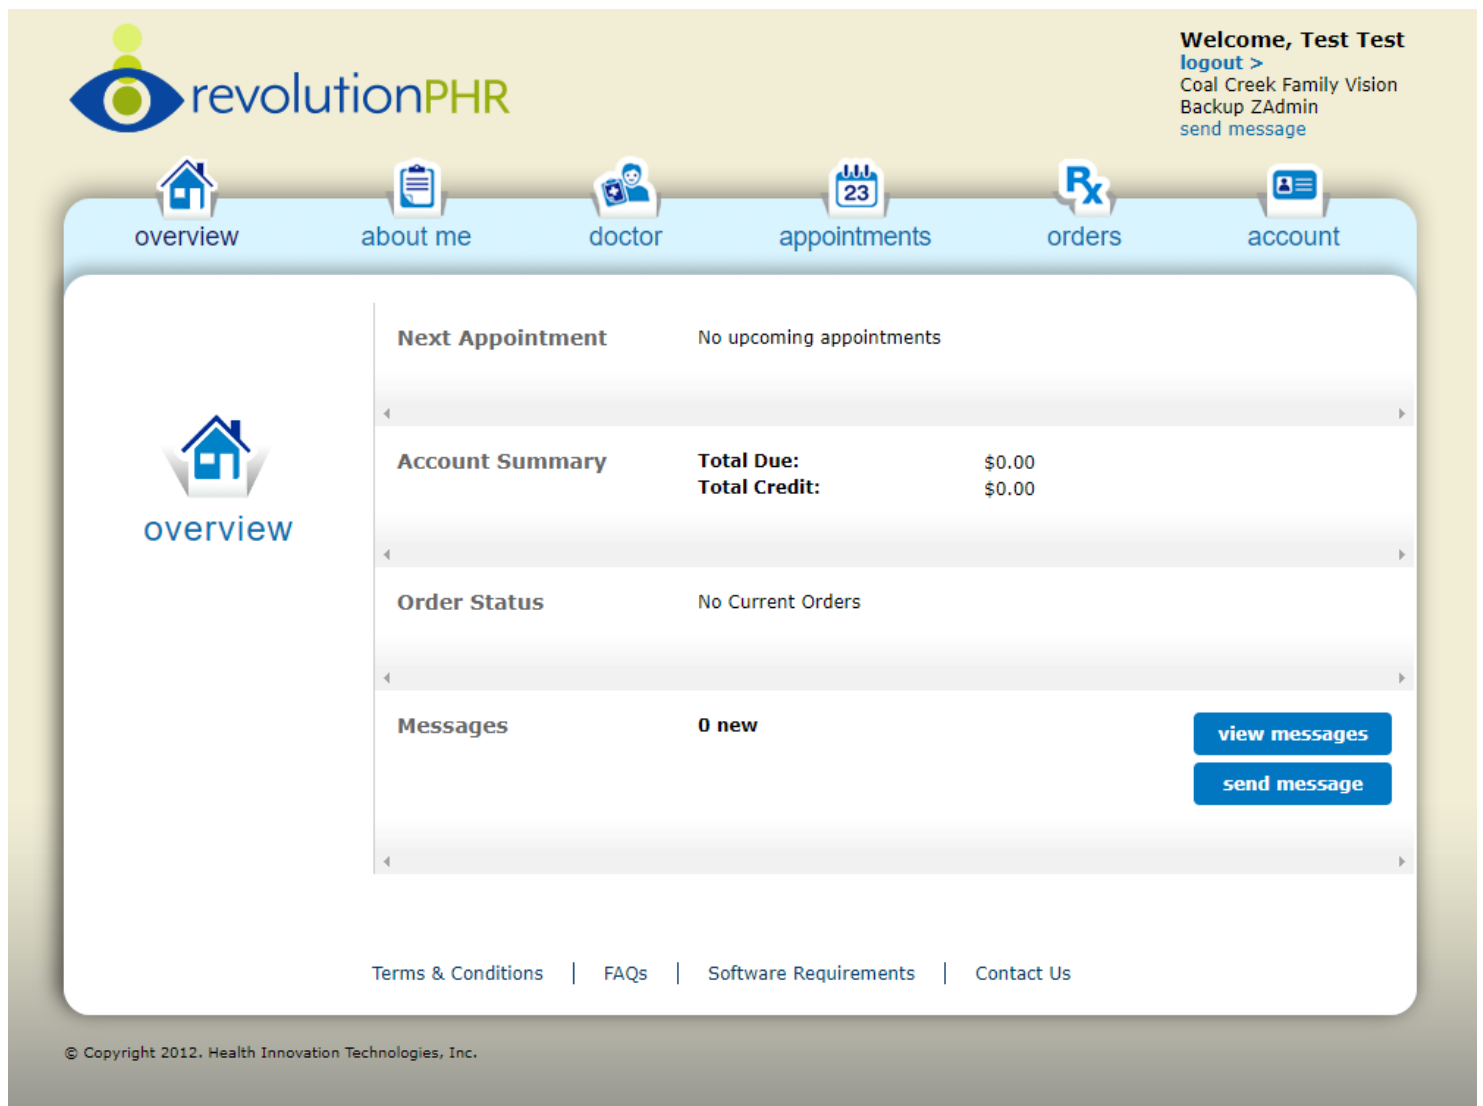

- 2 **Enter the email address** you provided on your last exam as your username and **hit 'submit'.**

- 3 **Check your inbox** for password reset steps.

Note: You may need to check your spam, promotions, or other folders as automated emails often get filtered by your email service providers.

PATIENT PORTAL: OVERVIEW

Overview: Your account at a glance.

About Me: Your demographics.

Doctor: Your doctor and office information

Appointments: Where you can review appointments or review, print, and download your exam records.

Rx Orders: Where you can print your prescriptions and review current and/or past orders.

Rx Orders: To print a copy of your current prescriptions hit the '**print**' button.

Note: *You will not see a print option in the event your prescriptions have expired or in the event you are still in trial contact lenses.*

If you have additional questions or need assistance, please contact the office at **425-641-2500**.

PDs are not measured during your eye exam and therefore not recorded as part of your written prescription. PDs are measured by the optician and/or location providing your eyewear services.
