

# WAKE UP TO THE FACTS: UNDERSTANDING AND MANAGING SLEEP APNEA

Special Webinar Presentation

**November 27, 2024 | 11:00 am PST  
ONLINE VIA ZOOM**

Sleep apnea is a common but often overlooked condition that can significantly impact overall health and quality of life. This presentation will delve into the causes, symptoms, and health risks associated with sleep apnea. Attendees will learn about the latest diagnostic methods, treatment options, and lifestyle changes that can help manage and mitigate the effects of this sleep disorder. Join us to uncover the truth about sleep apnea and discover how addressing it can lead to better sleep and improved well-being.
