Terms and Conditions of the Genentech Patient Foundation

- If I receive free medicine from the Genentech Patient Foundation, I will not sell or give out this medicine because it is illegal to do so. I am responsible to ensure that the medicine is sent to a secure address when shipped to me, and I must control any medicine that I receive
- I understand that, for purposes of an audit, the Genentech Patient Foundation could ask me for a copy of my IRS 1040 form or other proof of income
- Some insurance plans and/or employers partner with organizations known as alternate funding programs. Such arrangements require patients to apply to the Genentech Patient Foundation as a condition of, or prerequisite to, coverage of relevant Genentech products. These alternate funding programs include SHARx, Paydhealth, and Payer Matrix, among others. Patients whose insurance plans and/or employers use an alternative funding program are ineligible for support from the Genentech Patient Foundation
- I acknowledge that, to the best of my knowledge, neither my insurance plan nor my employer (1) required me to apply to the Genentech Patient Foundation and/or (2) changed or hid my insurance coverage for my Genentech medicine to make me appear to be underinsured and eligible for support from the Genentech Patient Foundation. I am not applying to the Genentech Patient Foundation on behalf of someone whose insurance plan and/or employer partners with an alternative funding program. The Alternate Contact listed on my application (if any) is not associated with or a representative of my insurance company, employer, or a business partner of my insurance company or employer. If I subsequently learn that my insurance plan and/or employer uses an alternative funding program, I agree to inform the Genentech Patient Foundation immediately and understand that I will no longer be eligible for support
