

MICRONEEDLING

Procedure	Price
<p>Face Only</p> <p>Microneedling is also known as collagen induction therapy. SkinPen's microneedles penetrate the skin's surface, triggering a natural immune response to activate the creation of new tissue that is rich in collagen and elastin proteins. These proteins improve skin quality, visibly reducing facial acne scars and neck wrinkles. This treatment also treats pigmentation conditions including melasma, vitiligo and sun spots.</p>	<p>1 Treatment: \$400 3 Treatments: \$1,050 6 Treatments: \$2,100</p>
<p>Face & Neck</p> <p>Extend the benefits of microneedling to the neck, helping firm the skin and avoid skin laxity below the jowls, also referred to as the "turkey neck."</p>	<p>1 Treatment: \$550 3 Treatments: \$1,500 6 Treatments: \$2,850</p>
<p>Body</p> <p>SkinPen microneedling for other body parts for improving scarring and skin laxity.</p>	<p>1 Treatment: Starting from \$550</p>
<p>Add On</p> <p>Choose powerful boosters to customize the treatment for your specific skin concerns. You can add: A brightening serum, a growth factor serum, or hyaluronic acid serum. Inquire within.</p>	<p>1 Treatment: Starting from \$50</p>
