BIO REPEEL CL₃

Procedure	Price
<p>Bio RePeel</p> <p>The Bio RePeel is a no downtime 35% TCA medium depth peel that carefully removes the outermost layer of skin revealing a glowing, smooth, youthful layer underneath. It also stimulates the production of collagen and elastin. Helps treat the following conditions:</p> <ul style="list-style-type: none"> -Hyperpigmentation -Fine lines and wrinkles -Acne -Sun damage -Acne scarring -Large Pores -Rosacea 	1 Treatment: \$295 4 Treatments: \$995
<p>Bio RePeel + Dermaplane</p> <p>Start off your treatment with a dermaplane exfoliation to remove the first layer of dead skin cells. This allows the Bio RePeel to penetrate deeper into your skin, which optimizes its results. Dermaplaning would be performed at alternating appointments (2 out of 4).</p>	1 Treatment: \$325 4 Treatments: \$1,050
<p>Bio Repeel + HydraFacial</p> <p>This powerhouse duo combines all of the goodness from the Bio RePeel and the HydraFacial glow. Also includes the application of a mask and LED light therapy to end this fantastic treatment.</p>	1 Treatment: \$350 4 Treatments: \$1,250

ZENA ALGAE PEEL

Procedure	Price
<p>Zena Algae Peel</p> <p>ZENA natural peel does not contain any chemicals and is made from first quality algae, environmentally friendly from the lakes of Ukraine. The seaweed powder contains natural micro needles which will act on the epidermis and stimulate collagen production, accelerating cellular renewal. The superficial blood circulation and the protective properties of the skin are improved. ZENA natural peel is rich in vitamin A, E and C in addition to minerals which help remove acne, spots, melasma and fine lines. It exfoliates the skin perfectly, which leads to the rejuvenation of the skin: stains are faded and can even be erased, rashes cutaneous are reduced, the appearance of the skin improves as a whole. This peel is safe for women who are pregnant and/or breastfeeding.</p>	1 Treatment: \$195 3 Treatments: \$495
