

Registered Veterinary Technician (RVT)

Target hiring range \$27 to \$30 per hour plus exceptional total compensation package!
(higher starting salary for more than five years of experience, certifications, etc. will be considered)

Are you looking for an environment where your skills and abilities are respected and fully utilized, and you love going to work?

Who we are:

Animal ONE® is a new 100% employee-owned veterinary group with a mission to solve current problems facing RVTs today. We are looking for a few select Registered Veterinary Technicians (RVTs) who would like to help make Animal ONE® the most desired veterinary employer and provider in the United States while they build their career and wealth for the future!

Animal ONE will be opening its first small animal veterinary hospital in Northern California in early 2024. We have designed a beautiful modern facility, purchased top-of-the-line equipment, and gone the extra mile in creating a practice group and hospital that will help staff provide the best possible medical care to their patients and make it an awesome place to work.

At Animal ONE, we have created a work environment that:

- Fully utilizes RVT skills and abilities and includes RVT appointments and client education sessions in areas of RVT interest and experience.
- Rewards idea sharing, quality of work, pet parent satisfaction, and teamwork.
- Offers continuing education and tuition reimbursement, career advancement options and opportunities to be compensated for new certifications and skills.
- Has a high technician to veterinarian ratio with vet assistants who assist RVTs as well as veterinarians.
- Provides a beautiful high design hospital setting equipped with just the right number of exam rooms, workstations, and treatment area workspaces; a surgical suite; a designated dental area; an imaging room; a break room, staff restroom, outdoor relaxation area ... and much more!
- Utilizes beautiful Casco WellKennels®, equipped with lighting and temperature controls, glass facings, and other features that make comforting and providing care to pets easy and enjoyable.
- Uses technology to streamline work, assign and track tasks, and keep pet parents informed.
- Includes a fantastic benefits package with 100% employer paid dental insurance for the employee and their dependents and a HMO health insurance option that is 100% employer paid for the employee and their dependents! (See our website Careers page for details on our comprehensive benefits.)

You are a great fit if you have:

- ✓ A Registered Veterinary Technician (RVT) certification in the State of California.
- ✓ At least two years of experience as a RVT (more than five years preferred).
- ✓ An eye for how things can be better, solution-oriented mindset, and collaborative nature.
- ✓ Ability to assist with surgeries, perform dental procedures, conduct lab work and imaging, observe auditory and visual cues of patients, monitor and chart vitals, and utilize medical and office equipment.
- ✓ A Veterinary Assistant Controlled Substances Permit (VACSP) or willingness to obtain one after hire.
- ✓ Ability to routinely restrain patients and lift 40 or more pounds.
- ✓ Ability to work independently and as part of a team, compassionately assist pet parents who are under duress, and create a positive environment for patients, pet parents, and staff.
